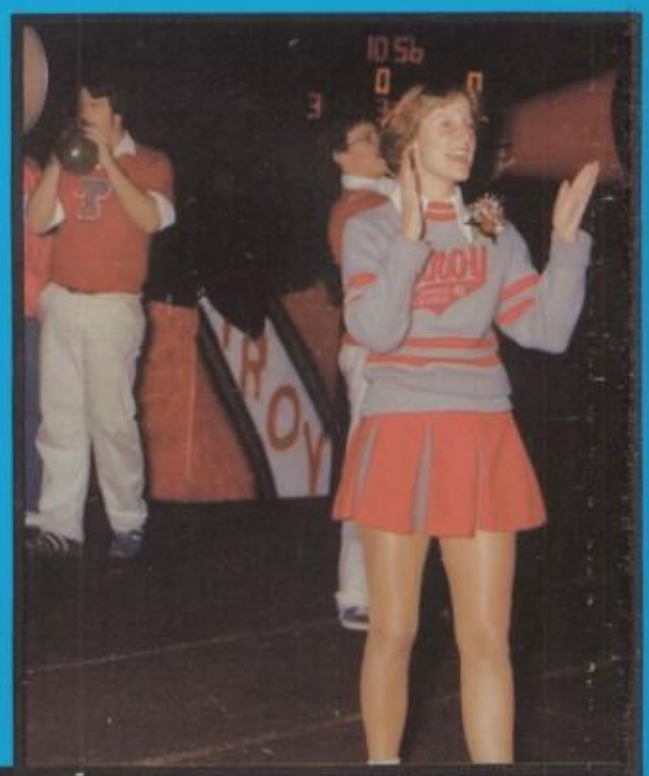
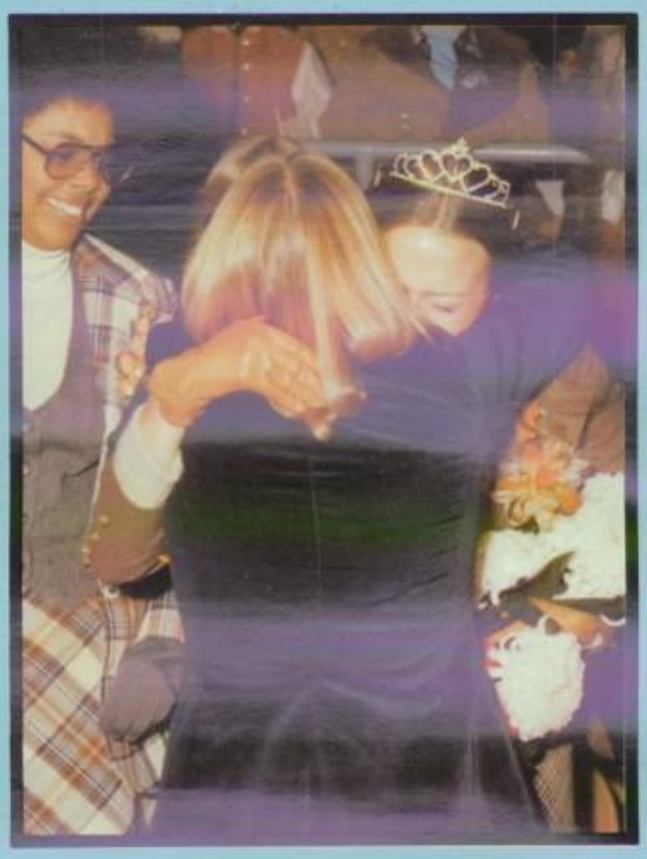
Homecoming



Festivities '77



Homecoming night was a memorable evening for everyone. Della Seaman was crowned the 1977 Homecoming Queen as the crowd cheered with exuberance. But there was much more excitement in store for the court, queen, fans, and cheerleaders. The Trojans were up against a 5-0-1 Xenia team. Rick Wise and Larry Delwiche led the team to one of their finest games all season by blowing away the Bucs 36-7. The excitement of the game included many personal achievements. Brian Shepard was named "Player of the Game" by crushing Xenia with 15 solo tackles and 14 assisted tackles. Rick Wise kicked an amazing field goal of 46 yards. A pass from Larry Delwiche to Thomas Moyer resulted in a TD along with an interception picked off by Dan Daugherty. Michael Williams had another one of his fantastic games by rushing 156 yards. The weekend was concluded by a superneato dance. Queen Della and her escort Douglas Richter reigned over the royal affair. Everyone had a wild and crazy kind of time!!!

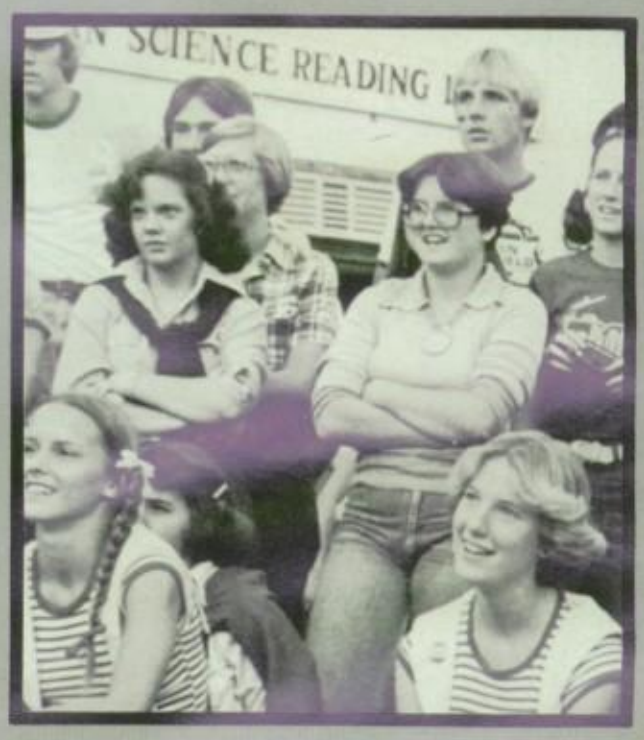
The Senior girls arrived by firetruck as the Piqua Pep Rally began. The gala event was set aflame by cheers, skits, coneheads, "who came from France," and arousing speeches.

Host Randy Reardon and Hostess Anne Lafferty were a dynamic duo. The cool football players ruined their images by cracking a smile at the hilarious antics put on by their classmates.

The magnificent bonfire gave spark to the Trojans as they burned Piqua Indians' tepees!!

Piqua Pep Rally



Don't Drink the Water

The hilarious play "Don't Drink the Water," was put on by the THS Drama Department. The actors and actresses did an outstanding job of portraying the outlandish characters in their amusing situation.

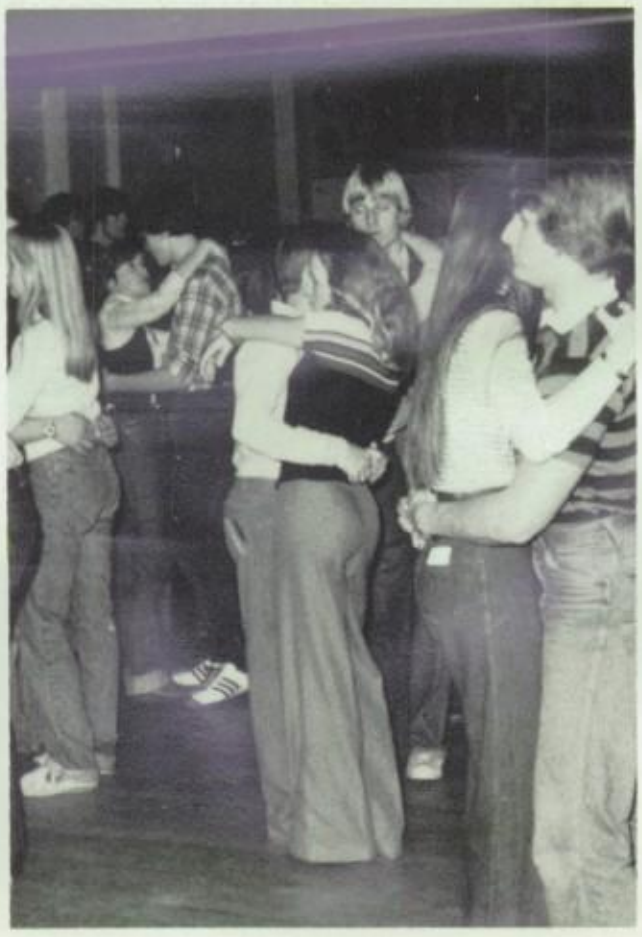
Boogie Nights

As the heatwave got too hot to handle, the Trojans tried to soothe their Saturday Night Fever by lacing up their boogie shoes at the REC. They had some fun, fun, fun doing the Disco Daz and the Disco Duck. When the Trojans decided to "slide" they had to be careful not to bump into a brick house. Our memories of the REC will stay with us always and forever.



Junior Miss Pageant

This year's Junior Miss Pageant had many beautiful and talented contestants. Those from Troy were: Ann Townsley, Cindy Elam, Susan Holobaugh, Beth Melvin, Della Seaman, and Ann Davies. The Pageant was a huge success and we were especially proud of Ann Davies who placed as the first runner-up.

As the Christmas spirit filled the halls of THS, the Freshman, Sophomore, and Senior Choirs enthusiastically warmed the hearts of all that attended the annual Christmas concert. The great assortment of festive and traditional songs aroused the entire audience. They participated in singing the traditional songs. Past members of the choir were invited to join the Senior Choir for the magnificent "Hallelujah Chorus." It was truly a gala event!

Joint Vocational School

"The JVS is the bringing together of students from fourteen different schools to share in learning experiences that will prepare them for the future. The JVS is an opportunity to get a head start on where you're going."
Karen L. Smith (Senior)

"Troy High School is great for the college bound student, but if you're planning to start work after graduation, it could be tough. If you're thinking along these lines, the J.V.S. has a lot to offer. In most cases, after leaving the J.V.S., you are capable of holding a job in that field. In some classes, such as Diversified Health Occupations, you will work during your Senior year. There's no doubt about it, the J.V.S. is great! Where else can you find a beauty salon, a flower shop, an auto repair shop, a restaurant, and a store called the "Expression Shop," all in one place? And in all these classes you'll find enthusiastic instructors and happy, friendly students."
Beth Hole (Junior)

Midwinter '78'

We will always remember the Blizzard of '78 as well as the Midwinter Dance of '78. The theme "Love Makes the World Go Round" was perfectly portrayed as the student body selected Ann Davies and John Lutz as the Queen and King of their hearts. The other cards in their suit were: Nancy Brentlinger and Frank "Macho" Perez, Steve Phillips and Amy Dee Lipp, Douglas Richter and Julie Kay Kroger, Rick Silkey and Fern Lang. Sara Wolbert should also be commended on her fine work to make the dance a huge success.

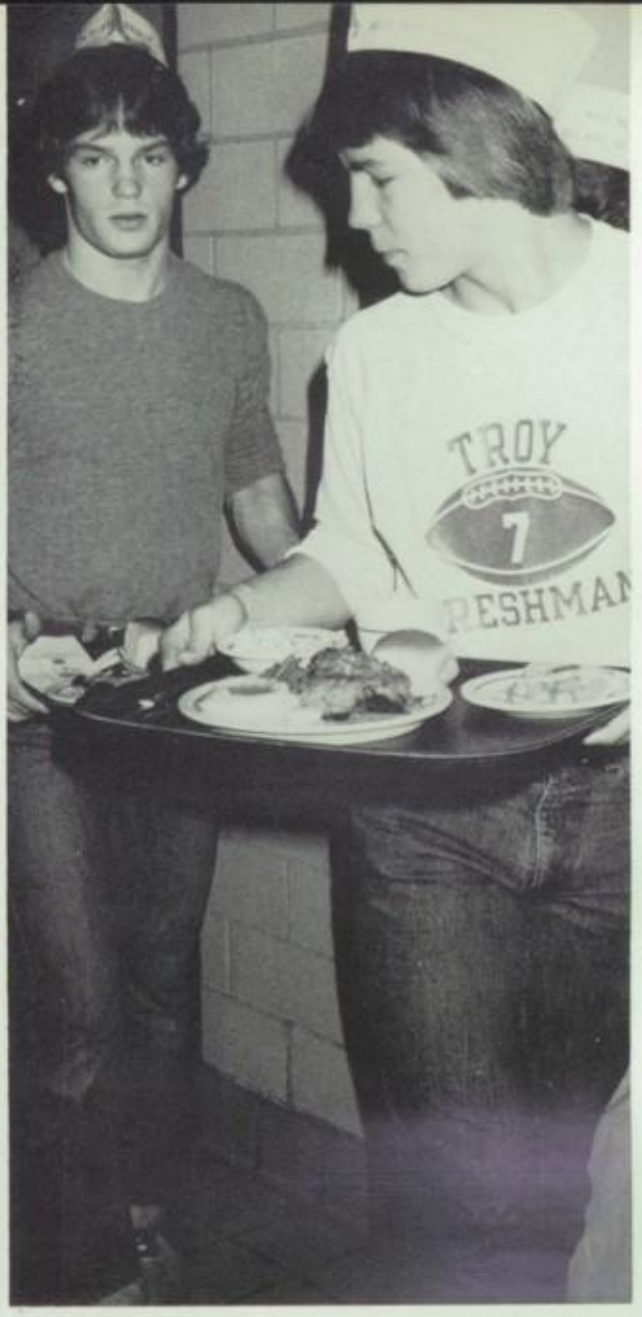
Talent '78

This year's annual talent show, sponsored by the Student Council, was a huge success. Never before have the students of THS seen so many talented performances with such a variety of acts. The talents ranged from comedy and karate to singing and magic. The hosts were the ever-lovely Nancy Brentlinger and that fun-loving guy Randy Reardon. David Wesco was the first place winner with his singing "Turn the Page" while playing the guitar. Jim Allen was second place winner who played a melody of oldies but goodies on his harmonica.

Wedding Days

Wedding bells were ringing as the senior students of Family Living class acted out the ceremonies. Jim Snyder and Shelly Lang were united as were Scott Grove and Sally Shanesy. They were beautifully carried out. The receptions followed in Mr. Buchik's room.

With only fifty days to go for the seniors, once again the halls looked like the set of "Happy Days." The day was complete with bobby socks, saddle shoes, and greased-back hair. The day was enhanced by the great senior spirit. Look out, Laverne and Shirley, the class of '78 is here!



The Troy High School Annual Senior Chicken and Ham Dinner was the best ever. More money was made than ever before. The Senior Class did a fantastic job of contributing their services to the huge success. A special "thanks" should be given to Mr. Mark Love, Senior Class Advisor, for having everything so well organized. Way to go, Seniors!

The musical was one of the best, due to the hard work of the cast and crews.

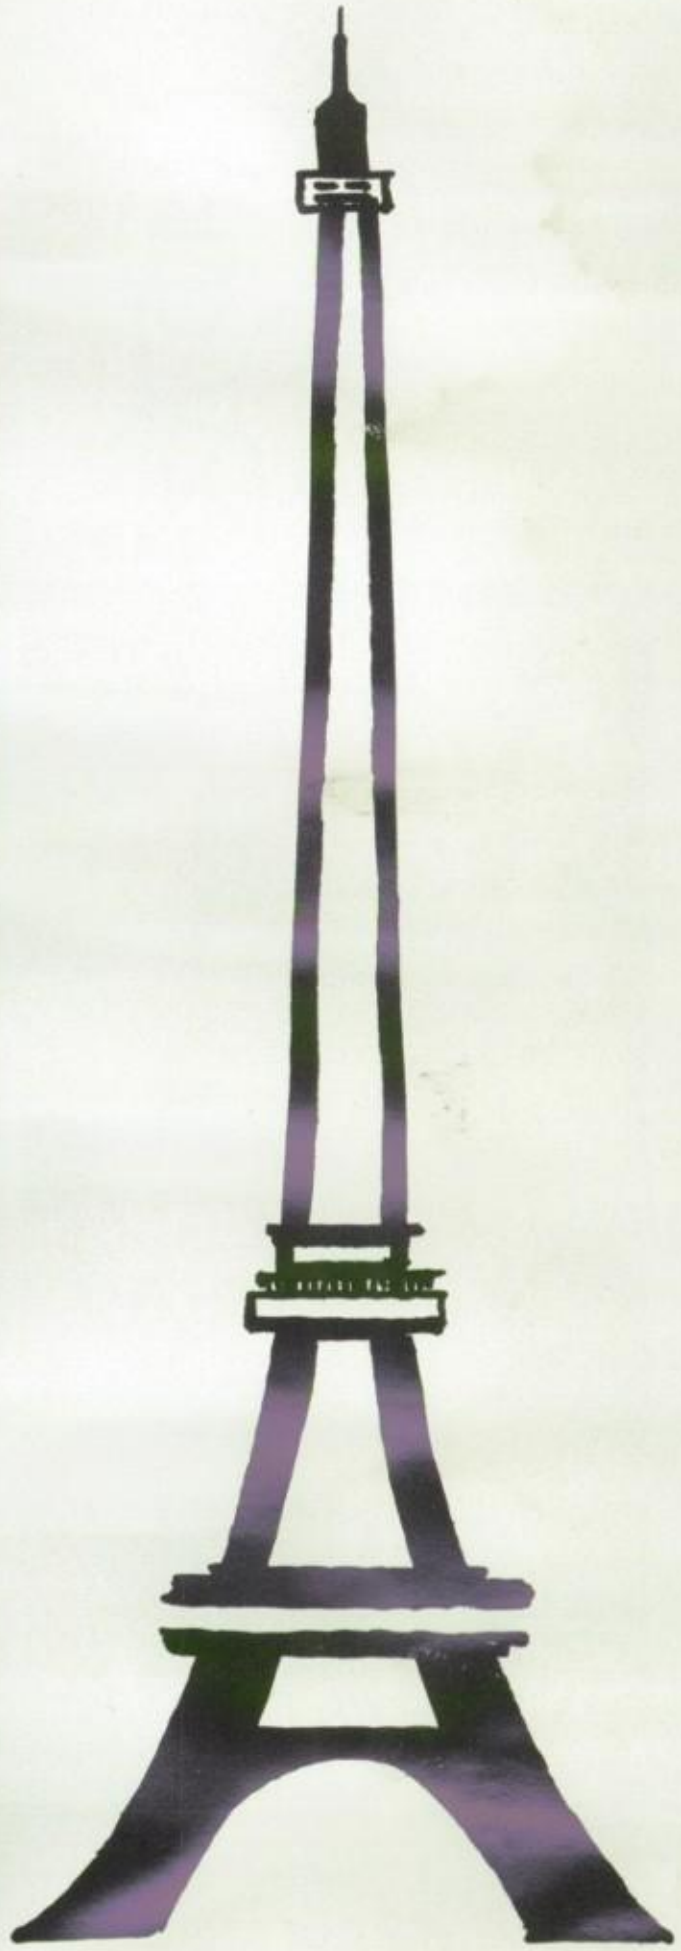
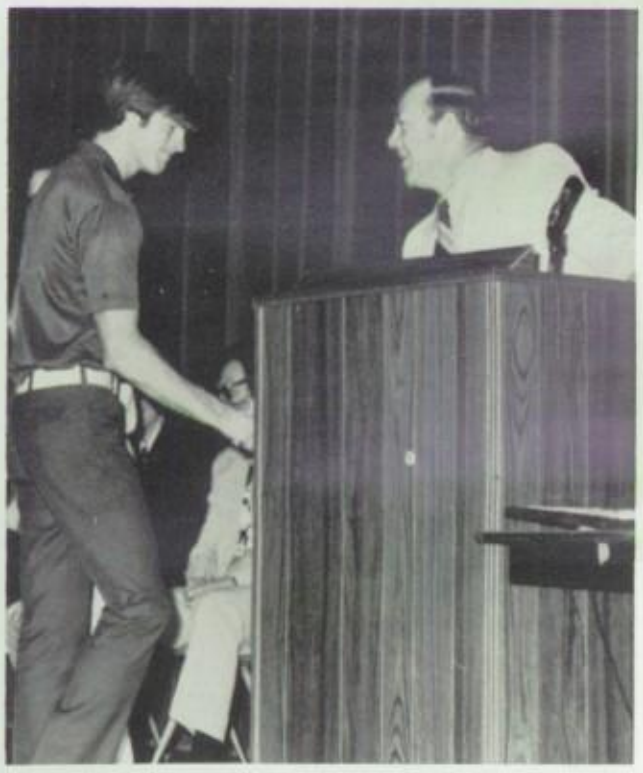
Prom 1978



An Evening in Paris!

Following the tradition of beautiful proms, this year was no exception. On May 20, the Trojans spent "An Evening in Paris." The junior class did a fantastic job with the decorations. The band, "Abacus," provided the music which left many more on the dance floor than in their seats. At approximately 10:00, the crowning of the Queen and King took place. The senior class made two excellent choices of Monsieur Richard Carl Wise and Mademoiselle Jan Lynne Millet. They took their throne in front of the Eiffel Tower, as they reigned over the dance. Everyone had a great time, and the praise belongs to the Junior Class of 1979.

Recognition Assembly



The Recognition Assembly held May 24 awarded many students for their activities during the school year. The First National Bank Fellowship Award was given to Karen Ferguson. The Voice of Democracy contest was won by Jenni Walsh. Senior Teresa Fulker was honored with the National School Orchestra Award, while band member Don Dawson received the John Phillip Sousa Award. The overall award for outstanding achievement in music was given to Paul Bruce. Dawn Suerdieck was named outstanding business student, while the choral music award went to Suzanne Kramer. The coveted THS sports scholar award was given to Rick Wise and the first girl ever to receive this award was Marcy Lenox.

Senior Toast

Four years ago, 342 kids apprehensively put one foot inside the door of Troy High School. We tried to look confident and at ease. When in reality, we were silently crying for guidance. We were unsure about ourselves and our new surroundings. You, the faculty, were always there, not only as our teachers, but as our friends. You took our hands and guided us through four years of sometimes trying times. You laughed with us and experienced our sorrows and pains. You were the ones who made us realize that nothing is impossible if you truly believe you can accomplish it. There were times when we wondered what bearing sines and cosines had on our existence, but inside we knew that someday we would look back and thank you. Henry Brooks Adams once said, "A teacher affects eternity, he can never tell where his influence stops." We are proud to have been under your influence for four of our most important years. You, the faculty of Troy High School, have taken part in the molding of 342 futures; a job we have trusted you with. You did not let us down.

— Julie Kroger

Faculty Toast

Class of 1978, Fellow Guests, Faculty and Friends all. I hope this faculty toast accurately expresses the feelings of the faculty, the administration and for you and your approaching celebration.

For the past four years, I have occupied a job known officially as Director of Attendance — unofficially it has many other names, depending on your point of view. In this capacity, I have not had as much opportunity to get to know the whole class as well as I would have liked, but I have acquired a genuine feeling for this class. A "toast" is supposed to be a drink to the honor of someone or a drink to their good fortune — this I hope to accomplish in the next few moments.

The Class of 1978 has begun a turnaround, I believe, for Troy High School. It has always seemed very important that people in any society must be willing to accept certain demands placed on them. This the Class of 1978 has responded to and gained a great amount of trust from those around you. Your class also has shown its ability to excel — to work at its peak — to be motivated. Your talents in the classroom have been talked about and written about this past week; you have on many occasions shown your talents in the creative arts, your representatives to "As Schools Match Wits" proved your supremacy, and your athletic records are now in the history books only to be topped by a state performance by the track team.

The Class of 1978 has also learned, as the world has learned, that this is a much different world from our grandparents. You have had to make decisions about your life — work, college, drugs, alcohol, armed services, etc., at an earlier age than any before you. This decision making has only begun and it is hoped that you will always remember that only you can make your choices and then you must be responsible for your actions, but at no time is it impossible for you to change directions. Be proud of what you are doing or don't do it. I have seen the Class of 1978 as the leader in our school and the leadership has been positive — what you have accomplished is like the tip of the iceburg — there is a lot we have not seen yet.

A toast to you, "The Class of 1978," with honor, with a wish of good fortune and with pride.

— Mr. Robert Fletcher

The Scholarship Assembly, which honors the scholastic achievements of juniors and seniors, was held May 23. Mark DeWitt and Kurt Stonerock were named co-valedictorians, maintaining a perfect average of 4.0 during their four years at THS. Debi Gero was named salutatorian with an almost perfect average of 3.988. Miss Patricia Hartle presented the distinguished NCTE awards, the Achievement Awards in writing, to Teresa Fulker, Cindy DeGrand, and Mark DeWitt. The National Merit Scholarship finalists were Tom Moyer, Cindy DeGrand, Teresa Fulker, who received a Kenyon College Merit Scholarship, and Mark DeWitt, who received a $1,000 National Merit Scholarship. Ten seniors were winners of the National Merit Scholarship Commendation Awards. Debi Gero was awarded the coveted Senior Mathematics Award. The Bausch-Lomb award for science was given to Mark DeWitt. Lisa Perkins received the Alumni-Merit Scholarship for 1978-79 from Miami University. With much praise, Wendy Willis received a four-year Air Force ROTC scholarship to Tulane University. The American Legion presented first place awards to Pat Reddy and Jenny Lin and a second place award to Tom Moyer for their high scores on the Americanism test. Certificates for Basic Studies went to 27 seniors. The National Honor Society inducted 38 juniors. Farewell Assembly

The Seniors' school year came to a close with the Farewell Assembly. Our favorite, Miss Hartle, gave a touching speech. Kurt Stonerock gave a special award to another favorite, Mr. Hoffman, for his friendship. Carol Hines received the Carson Trophy and Dan Richardson received the Vesper Trophy. Greg Gustin presented Senior President Rick Wise with the color cane. After the assembly, the Seniors were off to Kings Island for a wild and crazy day.

Graduation '78

Members of the crazy class of '78 set a new trend as they arrived at the commencement exercises on June 3, 1978 upon Joe Reardon's fire truck. As they marched in and took their seats in their blue and white robes, the air was full of anticipation. Mark DeWitt and Kurt Stonerock, co-valedictorians, and Debi Gero, salutatorian, gave interesting speeches. The ceremony proceded, the hats were thrown, and the Seniors were off to celebrate. Good Luck, Class of 1978!

Trojan Football

The indomitable Trojan football team provided another fine year of ball for the numerous fans of Troy. Through determination, hard work, and peerless leadership by the Senior members, the Trojans finished with an almost flawless season of 9-1; the only loss being to a tough Centerville squad. Success seemed inevitable from the beginning, with those summer practices rewarded by a proud victory over arch rival Piqua. Led by nineteen outstanding Seniors, the Trojans excelled in all aspects of the game called football. Although Coach Blackstone will feel a great loss with his graduating Seniors, he is looking forward to a fine season for next year.

Troy's reserve football team had a try

gained much needed experience that wil
come into use for next year's team. Play
ing on Mondays lacked the excitement o
Friday nights, but many will see Friday
night action next season. The highlights
of the year were the wins over old riva
Piqua, Springfield South, and Stebbins.

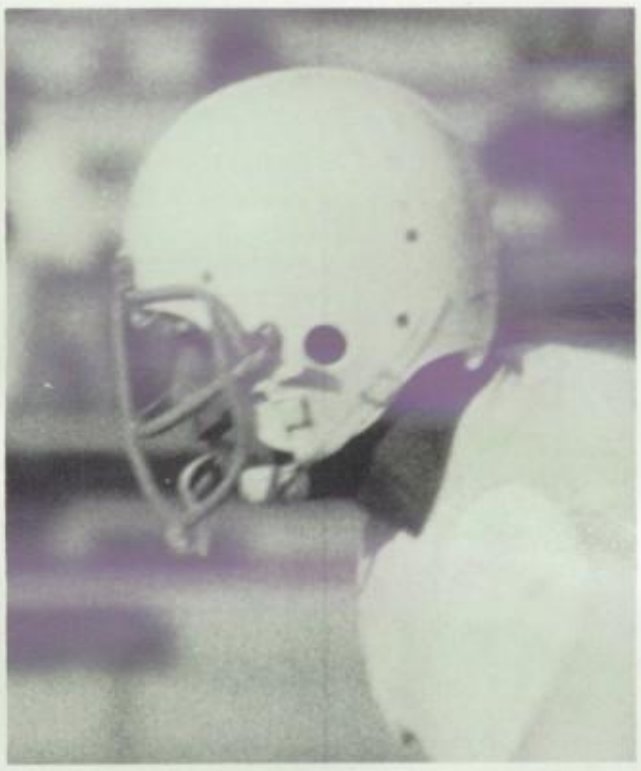
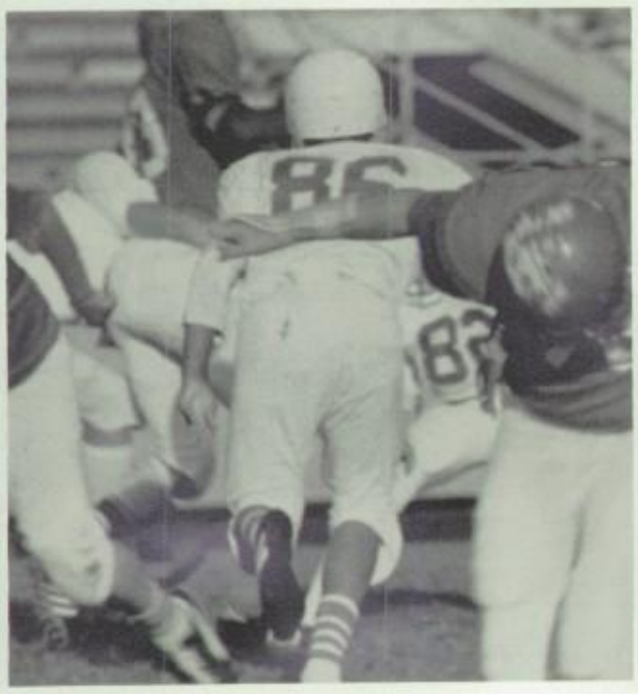
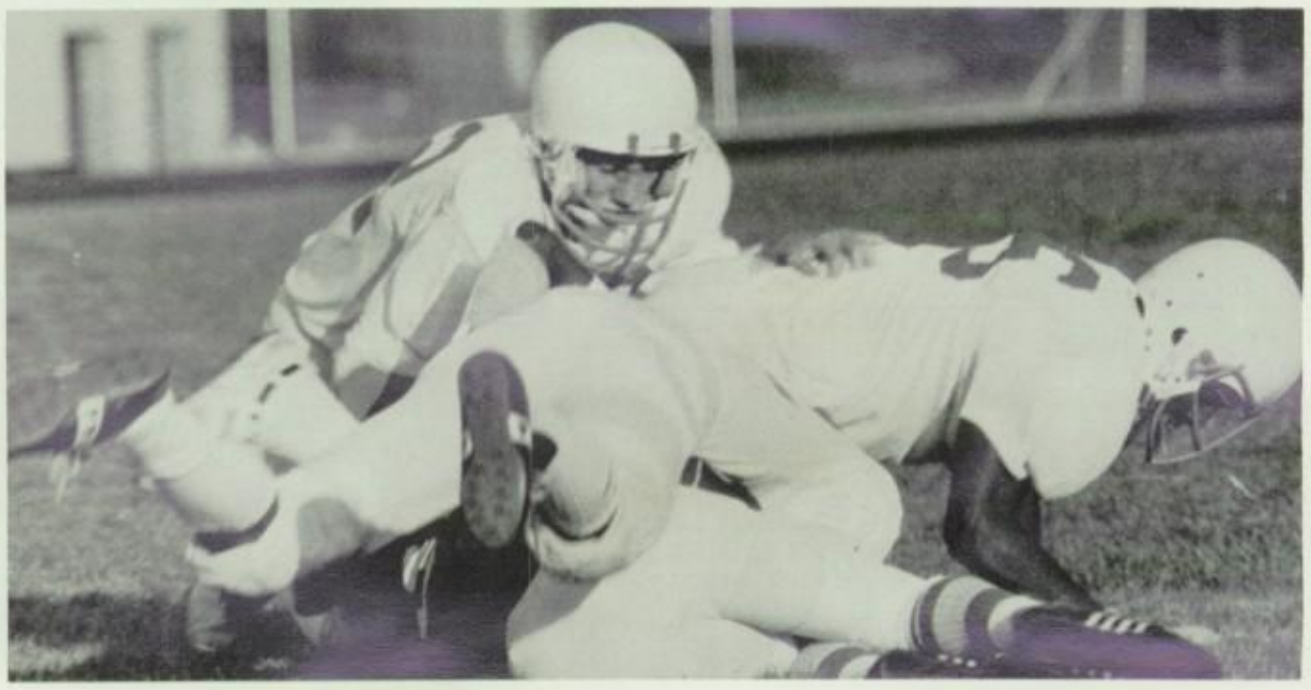
The freshman football team had an impressive season of 5-1-1. Like the varsity team, their only disappointment was the loss to Centerville. The Centerville game ended 24-14 with those 24 points the only points scored against their battling defense. Other highlights were the 16-0 win over Wayne and the 28-0 victory over Spinning Hills. Be ready next year Troy.



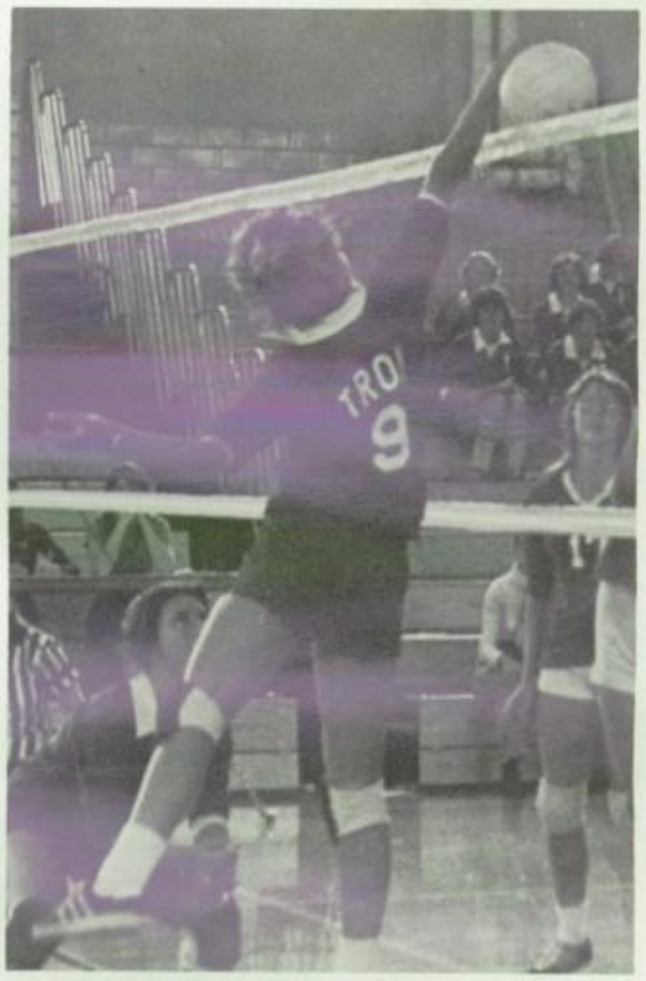




Girls Volleyball Reserve

With team effort leading the way, the reserve volleyball team was very much on the scene this fall. This fine bunch of high jumping, hard hitting, fast paced girls competed in several matches, including tri-meets on Saturday mornings and afternoons. Although team work is very important, the effort of each individual is what is needed to make a team successful. Individuality, as well as great team work was shown by these girls in their fine representation of our school. Next year's varsity squad is bound to be strong with such talented reserves.

Reserve — **Front Row:** Theresa Pour, Deb Wicker, Angel Finfrock, Cindy Strobel. **Second Row:** Jan Clark, Lori Permenter, Patrice Nimer, Rhonda Mikesell. **Absent:** Mary Anderson, Beradette Bond, Jill Davidson, Kathy Nally, Sue Stevenson.



Varsity

With new talent from last year's reserve, and the experience and skill of the returning letter-winners, this year's varsity volleyball team had their best season yet. Led by seniors: Kathy McCarthy, Ann Townsley, Jan Millet, Kristen Cannoles, Marcy Lenox, and Deb Baize, the varsity squad zoomed through a victorious season. With a 13-8 record, the best ever under coach Felver, the Trojans earned themselves a third place tie in the WOL. Moving onward and upward to better things, the squad continued their victory streak at the Districts, only to be defeated by first seed Fairborn Baker in the final round. Kathy McCarthy led the team in points, blocks, saves, and all-around efficiency. The MVP awards went to Jan Millet and Kathy McCarthy, and the Most Improved went to Peg Blackmore.

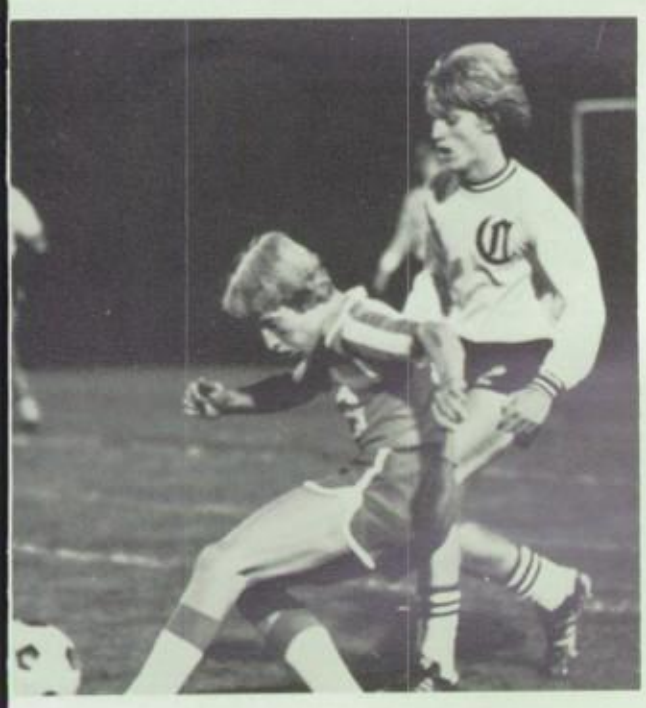
Soccer

The '77 Trojan soccer team showed a marked improvement during their second season of play with a 1-7-1 record in the W.O.L. compared to last year's 0-9. Overall, the varsity boasted a 4-12-1 tally and the reserves posted a 3-8-1 record.

Scoring was led by sophomore Eric Timm with 10 goals. This includes the only 3 goal hat trick for the team. Timm was chosen 1st team W.O.L. while senior Mark Kaebnick, chosen the team's M.V.P., was named to the 2nd team W.O.L. Senior Frank Perez ended the season as the Most Improved Player while senior Jeff Johnston was selected for the 2nd team all-area.

Only losing four players through graduation, the '78 team will be junior based.



Members of the 1977 varsity squad include : **Row 1:** Frank Perez, Chris King, Eric Timm, Jim Stubbs, Chip Ulmes, Todd Stein, and Rick Adams. **Row 2:** Kevin Monroe, Mike Wilson, Mike Shelton, Ralph Breisch, Mark Kaebnick, Jeff Johnston, Todd Haase, Dave Shedloski, Jerry Huber, and Coach Ken Amstutz.

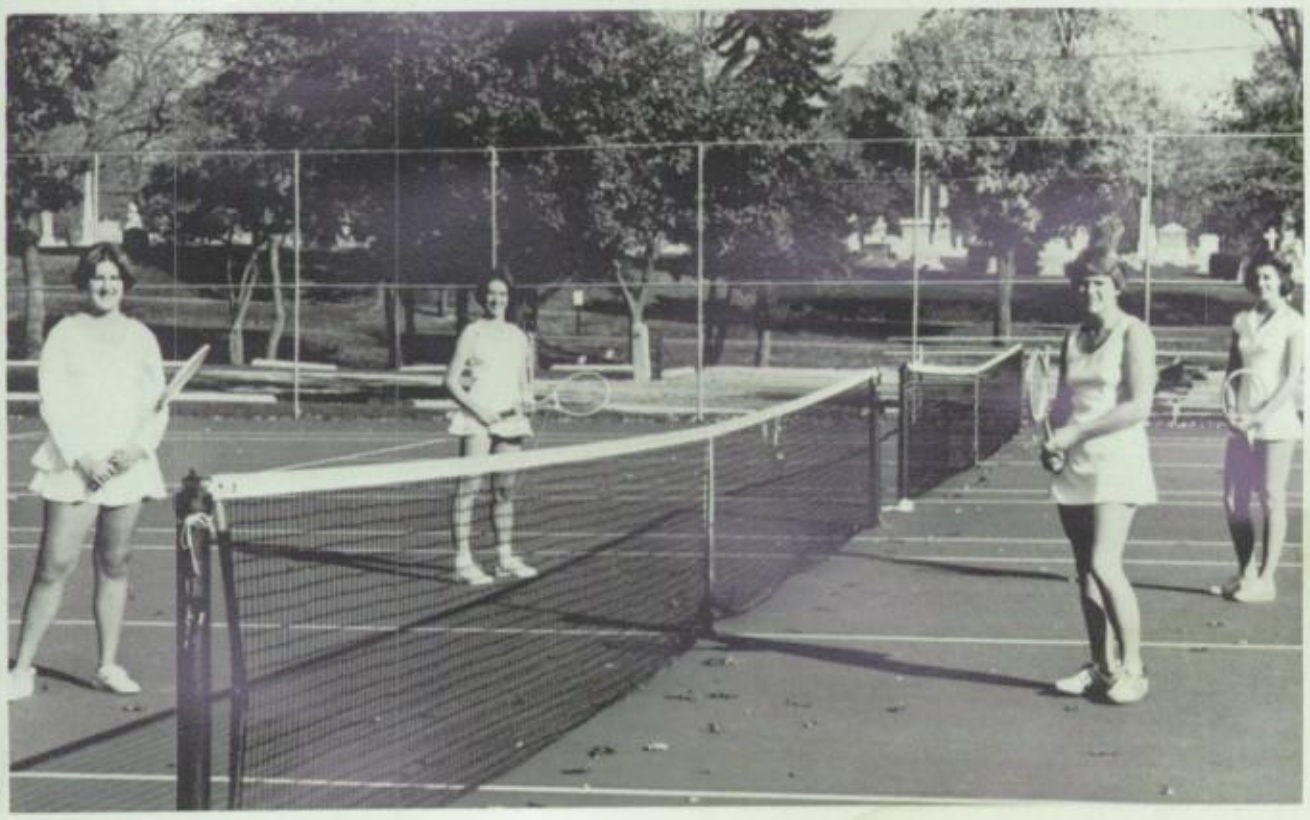
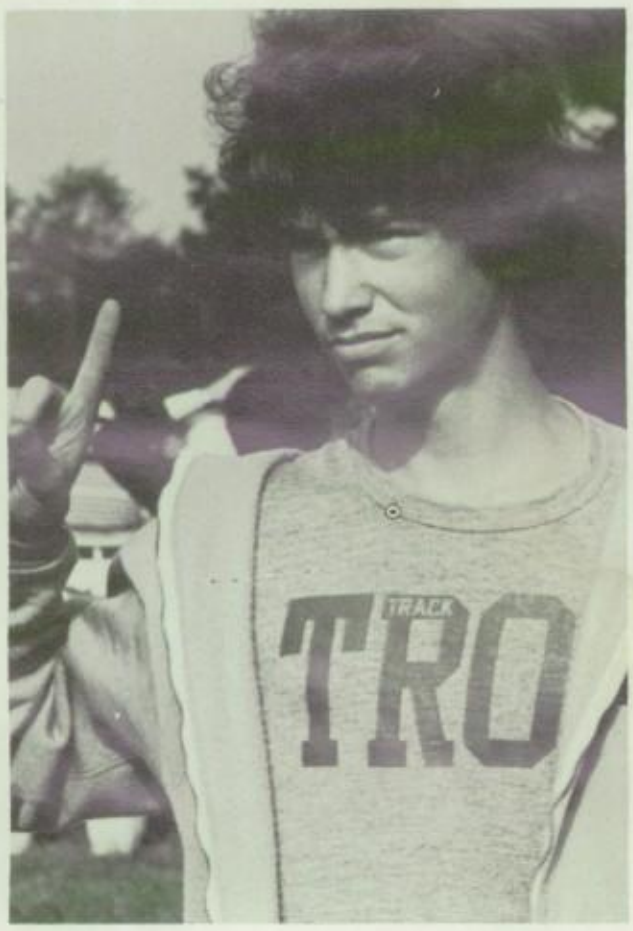
The girls' tennis program had an overall winning season for 1977. The Varsity team had a total record of 12-6. The ladies placed fourth in the W.O.L. with 6 wins and 3 losses. The Junior Varsity came through on top with a 9-3 standing for the year. For the second year straight the number one Varsity doubles team of Cheryl Brown and Sue Schuerman went to district competition. Coaches Blackmore and Davis have many promising athletes returning in the fall of 1978.



Cross Country

Troy's Cross Country track team was led in 1977 by senior co-captains Tom Bigelow and Jeff Worden to a 5-3 winning season and a sixth place in WOL. Individual highlights include sophomore Kent Heck qualifying for districts and an eighth place standing in WOL by Tom Bigelow. Team highlights include a perfect score by the Trojans in a meet against Springfield North.

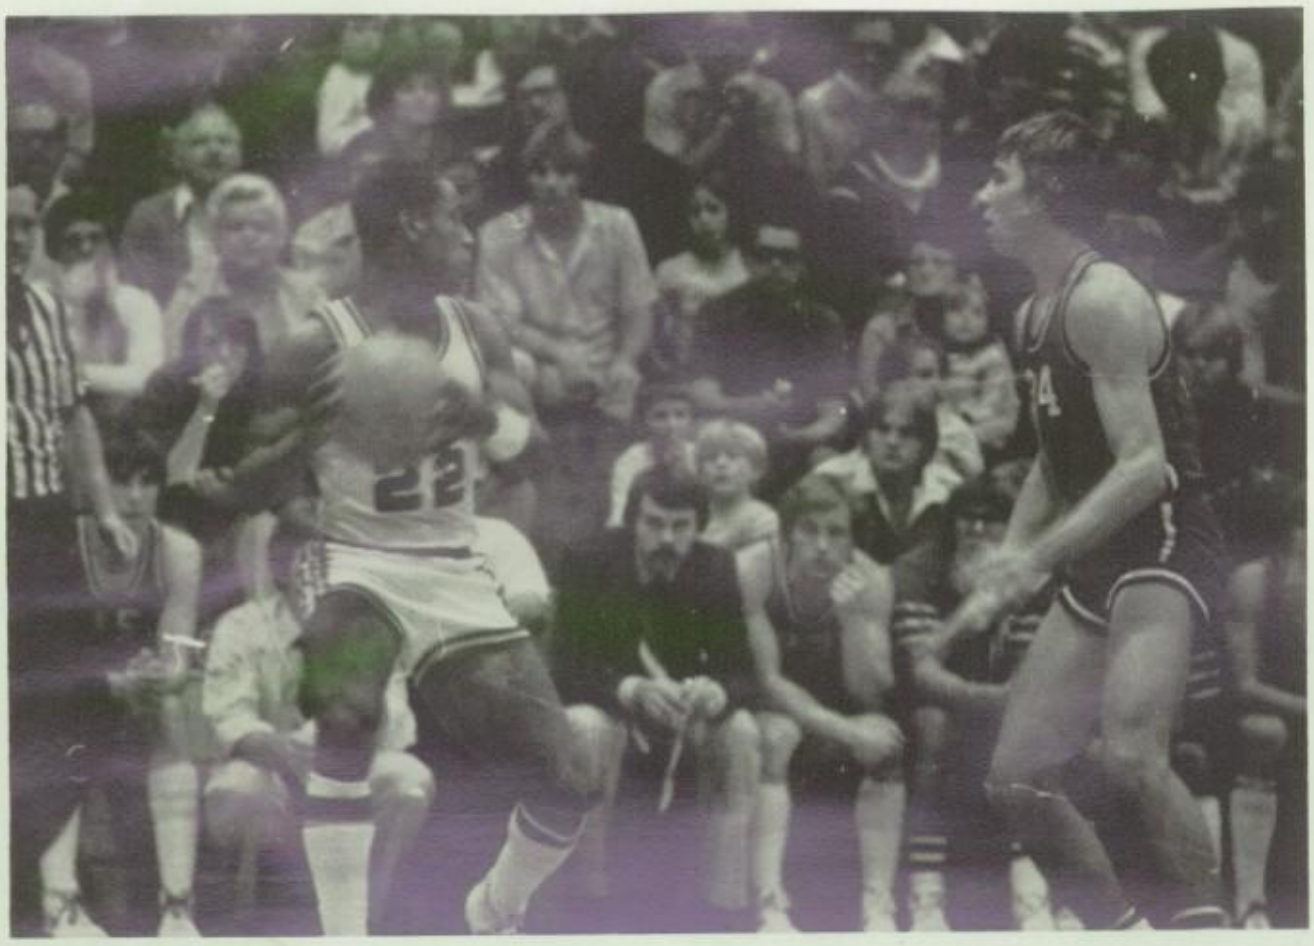
The Team — Seniors: Tom Bigelow co-captain, Jeff Worden co-captain, Craig Miller, Steve Heffner. Juniors: Kevin Littlejohn, Dino Parks. Sophomores: Mike Crommes, Kent Heck, Greg Permenter, Bill Pinter, Roger Plunkett, Scott Straker. Freshman: Paul Dawson. Coach: Bob Campbell.



Golf

FORE! It was best to stay out of the way of the T.H.S. golf team during their '77 season. They were in full swing with a 20-5-1 record. The top five included seniors Kurt Stonerock, John Katterhienrich, Mark DeWitt and Dave Detrich, and freshman Matt Reiter. The team finished fourth in both the W.O.L. and sectionals. Kurt Stonerock, as captain, led the team, being chosen All-League. Probably, the season will most be remembered for its race to end before the first snowfall.

The Trojan golf team included : **Row 1:** David Jones, Matt Reiter, Jim Goodall, Mark DeWitt, Doug McDonald, and Bill O'Tool. **Row 2:** Coach Bennett, Joe Gulker, Scott McConnell, Doug Richter, Chet Shedloski, R. B. Albright, and Jeff Parris. Absent is team captain Kurt Stonerock.



Varsity Basketball

This year's Trojans spent many strenuous hours on the courts, polishing their game for competition. Mr. Donaldson had his first season with the varsity squad. He turned his team into a synchronized machine, placing special attention on the defensive aspects of the game. Greg Vaughn, Craig Smith, Dave Conard and Mike Williams all enjoyed great scoring efforts, and Mike also handed out assists and foul shots with consistency. These guys really burned off the rubber on the courts during their daily workouts, which included an emphasis on the necessity of unity between body and mind, and above all else, practice, practice, practice!

The tremendous victory of the team during the first round of games at the Troy Tournament looked like it might turn the season around, but the following round turned into a heartbreaking loss once more. The season was a disappointment, but new recruits and good reserve players give hope for next season.

Varsity — David Jones, Mgr., Chet Shedloski, Mike Williams, David Conard, Greg Vaughn, Craig Smith, Kevin Moffit, Chris Pike, Jeff Schnabel, Jeff Lindon, Mike Evans, Kirk Groff. Coaches: Mr. Donaldson and Mr. Dearth.

Sometimes it was awkward having a male coach for the all girl team, but the Troy girls successfully overcame that awkwardness. They were led to a winning 9-8 season by Coach Thomas, as well as leading senior scorer Marcy Lenox, and junior leading scorer Doris Steineman. Though successful in the season, the girls lost by a mere 4 points (33-29) to Springfield South in their first district game.

Female Gymnasts

Form, grace and execution, the goals of every gymnast. Hours of constant drilling produce agility and precision. This year's team put in many hours of hard work in order to earn themselves a respectable fifth place in the WOL and sent two women to the state individual competition. Shelly Minnich competed on the uneven bars and Allison Washer on the balance beam. Shelly placed fifth in the WOL girls and Allison placed third. At the district competition both placed sixth out of 23 schools that competed. Individually, many girls displayed their stellar ability. Coach Blackmore expressed her pleasure with this year's team, complimenting them on their outgoing spirit and hard-working attitude.

This year's highlight came when the gymnasts recorded a high score of 127 points during state competition. Senior Rob Evans took the honors of first in state on the longhorse and fourth on high bar. David Vandeveer's floor exercise performance ranked fifth in the state. Individual awards included: Rob Evans — Most Valuable and outstanding Senior. The first and third singles positions were occupied by Joby Buchan and Dave Blackmore, respectively. The doubles teams consisted of two sophomores, one freshman, and one senior. Jim Stubbs and Bill O'Toole made up the first doubles team and showed the potential for a very successful future. Marty Hunt and Kevin Moffit composed the second doubles team and proved out the "hard work equals success" theory. The seniors, Kevin and John, provided the team with an attitude that took the emphasis off individual performance and placed it on building for a solid future.

Trojan Baseball

Under the watchful eye of Coach Fletcher, the Trojan baseball team finished the season a successful team. Plagued by cold and rainy weather at the beginning of the season, the Trojans managed to reschedule several "canceled" games and turn them into victories. With the pitching arms of Randy Lykes, Tom Karnes, Pat Zimmerman, and the hitting abilities of Tom Moyer, Brian Shepard, and Larry Delewiche, the Trojans enjoyed a prosperous season. Although the Senior staff will be difficult to replace, Coach Fletcher is looking ahead to a promising season with next year's team.

Girls Softball

The 1978 Troy Girls Softball team was much improved over last year's. The coaching was headed by Mr. Buchik with help from Miss Wurzelbacher and Mr. Wray. The girls kept up the enthusiasm through the spring rains that caused a lot of cancellations and rescheduling. Mr. Buchik feels that the program is growing and that the girls are becoming more competitive each year. This year's graduating Senior members include Cindy Nuss — pitcher, Judi Sensenbrenner, Sandi Love, and Kathy Shoop — left, center and right outfield players and Kathleen McCarthy — first basewoman. All the graduates wish Coach Buchik, Wray, and Wurzelbacher successful seasons ahead.

Troy Track

The Troy Track Team had an outstanding season this year. With senior team members Rob Evans, Mark Kaebnick, Chris Washer, and Rick Wise leading the way, the season was truly a success. The team as a whole won the Troy Relays, placed first in the WOL for the third year in a row, won the Sectional Tournament, placed second at Districts, placed fifth at the Mansfield Relays where they received the trophy for the most field event points, and finished ninth in the state. Individual awards went to Rob Evans for most valuable player, Eric Timm and Mike Boyd for most improved, Mark Kaebnick the best track award, and tying for the best field award were Chris Washer and Rick Wise.

In state competition Mike Boyd finished eighth in the 100 yd. dash, Rob Evans was eighth in the pole vault, Chris Washer placed second with the discus and Rick Wise ended fourth in each discus and shot put.

Mr. James Hoffman, who taught math at Troy High for 27½ years and was department head for 7½ of those years, retired after the first semester this year.

Mr. Hoffman made his math classes very enjoyable. Where else but in his room could a person be called a "bird" or a "bonehead"? In no other room of the school could a student find "flat foot floogies with a floy-floy." Coming out of a year with Mr. Hoffman, a student knew one of the most important facts of math: how to draw the graph of $y=z^2$ and also the name of this form — a pair o' bowla. Mr. James Hoffman added fun to the math department and tried to stop the idea that math was a dry subject. While taking a test, he would try to relieve the students' tensions by squirting test papers with desk cleaner! He was a unique teacher and a man who helped raise the math department to its present high educational standard. He is very much missed by the students and the faculty of Troy High School.

The 1978 Class History

Freshman Year

Twas 4 years ago and all through the school
The upperclassmen stepped back — they knew we were cool.

We were glad that they knew because we felt so small;
We seemed 3 feet 2 and they looked 8 feet tall.

We took earth science, health and gym
To learn about rocks and keep fit and trim.

When we started school the hard cookies and stale bread were truly a curse.
Somehow we figured it would get better, but the food only got worse.

Detentions were often given to the late and unknowing;
We'd like to take this time to say, Mr. Fletcher, your pink slips are showing.

We'd often go to the library to fill an information void.
We would always speak quietly and sit 2 to a table so as not to upset Miss Floyd.

After the games in a Trojan coat and hat,
We went to the Rec 'cause that's where it was at.

In our hip-huggers that barely covered our rump,
We'd hit them together and that started the bump.

Away from the Rec, we flew at top speed;
To be home at midnight with Mom and Dad was our creed.

We suffered through the problems of the state
Like the energy crisis and Watergate.

But who really cared, who gave a s____?
No one, of course, except Mark DeWitt.

We had a crisis of our own that caused school to stop;
They called them "mini-courses" but they really were a flop.

By the end of the year, we were no longer fresh men and women
We were going into our sophomore year.

Sophomore Year

Thus we entered our sophomore year — the year of coming out.
By now we were a part of THS, we knew without a doubt.

The first big event was the football season;
It was more exciting this year for a very good reason:

During the game many sophomores were playing
While at halftime we watched the band dancing and swaying.

To the pregame dinners girls brought dishes or a tray,
And would play games and eat food fit for a gourmet.

Driving came up and Cindy McKenny was the first cruiser among her peers,
Except for Dan Augie who had been driving a couple of years.

When we got our licenses, our parents were no longer a crutch;
Sara drove on the left side while trains almost hit Hutch.

This was the year we started collecting trinkets and memorabelia;
Most bought the class rings that Balfour decided to deal ya.

Pet rocks and mood rings soon became the rage;
We found that hula hoops, mini skirts and bell bottoms, they soon did upstage.

Oh by the way — we did go to class;
But we only went to assure that we would pass.

We went to Miss Hartle to learn **Julius Caesar**
And found words like "promiscuous" and "liscentious" were the ones that did please her.

Due to gym class, as dancers we'll go far.
We learned to do the alley cat and also the Texas Star.

While Mr. Buchik planted gardens, Mr. Culbertson multiplied fruit flies;
He also taught us about the hormones in girls and guys.

In a pep rally skit our girls did gigs
And attracted the whole school while dressed as figs.

Troy is such a safe town that walking the streets presents no peril,
So at Christmas many girls went to Judy's to celebrate and carol.

After the Rec, someone got the hunch
So we all headed to McDonald's to sit and to munch.

The year came to a close and we watched the 76ers burn out;
The rest of the year we had a big detention turn out.

Junior Year

Our junior year we became upperclassmen — the best,
But we got divided into two schools; Troy and JVS.

In class Mrs. Monroe thrilled us, but chemistry was somewhat a bore,
Though excitement did occur when Mr. Beisner taught us how to make Na_2So_4.

Some took history in summer school and found it to be a breeze,
While the regular classes suffered through WWI, the Tweed Ring and events such as these.

A new game found its way onto the THS sports scene;
Our soccer players were big and bad and rough and tough and mean.

We also had junior girls cheering on each and every fella;
There were Peggy, Mary, Debby, and even little Della.

The girls showed their spirit with skits and program selling;
When Debi sang Elvis' "All Shook Up," the crowd went wild yelling.

The basketball games were held in the gym at school;
When Coach Ellis rolled on the floor, everybody thought he was a fool.

Ted Bumiller, that exciting and adventuresome man
Once again came and said, "Turn off the lights, we're off to Japan!"

Some also found that Piqua wasn't really all that far,
And went to Bing's and sat around at the dirty bar.

Spring arose from the winter that
Which meant that there would be an exciting time for all.

A lot of talented juniors were in the musical, need we be more specific?
They ran the stage, were natives and WACS in the production of **South Pacific.**

Then came prom and everybody had a good time it would seen;
We juniors did a great job decorating with Blue Hawaii as the theme.

Then came the awards, Carson for girls and Vesper for boys;
Suzanne won for her many talents and Rick won because he was wise.

After finals we all just threw up our hands and quit;
We even managed to get the books away from Mark DeWitt.

Senior Year

After suffering through 3 long years, senior year came;

We knew that after we were gone Troy High wouldn't be the same.

Being seniors, we were the ones to act in the Piqua Pep Rally;
Joe Reardon had the fire truck polished up for the grand finale.

With skits and cheers and the commentators being Ann and Randy
It came off real well, the fire burned and the whole affair was dandy.

Della was crowned as homecoming queen along with a beautiful court:
Peggy, Peggy, Mary, Shelly, Cindy, Ann gave the team all their moral support.

We held a contest to see which guy was the most datable among the rank,
When the votes were cast and the winner announced, our "Mr. Macho" was Frank.

Some senior girls could tap and play and sing and other things like this;
We were proud of our participants in this year's Junior Miss.

About the Halloween dressup, the student council can brag;
They sponsored the activity that brought out guys in drag.

We had much faith in our leaders this year, in them we took much stock.
The Senior Cabinet was run by Beaver and Student Council was led by Rock.

The place to go was the Senior bench to act tough and get the latest news;
Many came to sit, but some came to snooze.

Most have turned 18 — that age holds much in store;
We are now legal to do the thing we all had done before.

To have a good time at Christmas, the seniors took a chance;
We put our hands over our heads and did the antler dance.

Mr. Hoffman often amused us with a good trick or sly word,
But when someone go a Flat Foot Floogey With a Floy, Floy, he said they were a bird.

New teachers came upon the scene; Mr. Wray, Miss Faber and Miss Freeman,
The latter two helped fill the absence of Miss Sheffer which left Señor Jones screamin'.

A daring new teacher led the Senior Cabinet, kept them moving with a shove,
He taught us the nations of the world; they call him "Dr. Love."

This year from crusing we took a vacation,
We found our bills to be too big at the gas station.

At the beginning of the year, the Rec was still the place to go,
Now we all hit the SHE and the place to Disco.

We found that disco fever had finally hit the whole school;
It was best displayed by C. J. Travolta who really played it cool.

The Blizzard was so awful that if you went out you were a fool,
But after being shacked up so long, we were **ALMOST** glad to come to school.

Our final Midwinter came and all clubs played their parts.
At the end of the evening Ann and John were crowned the queen and king of hearts.

It took talent to be in Orchestra, choir, and Speech and Debate
While our chess team used their skills to win by checkmate.

AFS built our knowledge of foreign relations,
While annual staff and the Balance were documenting the latest sensations.

The skilled ones joined the Industrial Arts Club and FHA, While the Science Club gave exhibits and drama put on many a play.

People got involved with SOS J-Teens, Interact and OI;
To join Key Club and ASTRA meant you could not be shy.

The musical was a success from the moment it began;
Instead of "Hello Dolly," it should have been "Hello Suzanne."

On 50's day all seniors dressed in outfits which from the past were chosen;
Ann Lafferty looked like Sybil and Mark Madigan like Mr. Rosen.

Talented seniors made the annual talent show a tough race,
But Jim Allen with his harmonica received a second place.

In Family Living we learned about marital bliss;
The ceremony began with the wedding march and ended with a kiss.

To watch Troy emerge the Champions in front of the T.V. we would sit,
While others unsuccessfully tried to match Degrand, Gillis, Lin, and DeWitt.

An evening in Paris was the theme of Prom this year,
When Rick and Jan were crowned King and Queen, everyone gave a cheer.

In track and gymnastics, our guys frequently won the WOL,
The fact is that our athletes gave the opponents hell!!!

While athletes were breaking records in groups or alone,
John Lutz broke his jaw, while Doug Manson broke every other bone.

Other guys sports that to the opponents we were a menace
Were wrestling, golf, cross country and also spring tennis.

The girls put a lot of spirit into cinderellas, bat belles, and tumblettes,
Block T, mat maids, basketball stats, and Trojanettes.

There, too, were girls athletics in winter, spring, and fall;
They were in tennis, track, gymnastics, volley, basket, and softball.

The Outlook opened in spring and we'd go on the weekend nights;
Why pay 50 bucks to watch Muhammad Ali when there you see free fights?

On May 18 the faculty and students saw the 78 class project of decorating with toilet paper;
We can't imagine which seniors aided in the caper!!!

At the recognition assembly we found that Kurt Stonerock and Debbie Stradling had passed the attendance endurance test;
We wonder if they liked school or ended up more bored than the rest.

Our class has a good sense of humor; a good joke is enjoyed by all,
But some think it a little strange when Amy Graham has a fit in the hall.

June 3 is the day set for our graduation;
Sitting through speeches by Debi, Mark, and Kurt is the last requirement before a permanent vacation.

Epilogue

And now since past is the day we've long awaited
To find what the future holds in store.
At the end no doubt there were sad tears
But we'll keep crazy through the years.
Please don't be offended or sit and pout. Just . . .

Wherever food is prepared, served or sold . . .

From the primitive era of man, the first and most vital need has been for food. Scientific or social progress has in no way affected this basic need. While the essential need has remained constant, the method of fulfillment has continuously changed.

Whether eating in or eating out, today's family has at its fingertips the greatest variety and choice of food . . . better balanced, nutritious diets. From breakfast to the end of the evening meal, Hobart food, kitchen, bakery and dishwashing machines, weighing and wrapping systems — and, for the home, KitchenAid major appliances and electric housewares — lighten the chores, facilitate food preparation and improve sanitation.

The need for equipment and systems to better serve the vast and constantly expanding retail food and foodservice industries has enabled Hobart's growth to the world's largest — as well as oldest — manufacturer in its field. The Company's products illustrated above, are marketed under the trade names of Hobart, KitchenAid, and National. These products are all directly related to food . . . processing and retailing . . . and efficient preservation, preparation, cooking, and cleanup.

Hobart leadership is made possible through the development of a diversity of new and better products . . . built to the highest standard of quality.

The World Headquarters is located in Troy, Ohio. There are 36 plants around the world . . . more than 230 Hobart Branch and District Offices throughout the United States.

Similar sales and service offices are located worldwide — with distribution in more than 100 countries. The Company and its subsidiaries have over 13,000 employees. These do not include the many employees of exclusive, franchised sales agents nor the sales and service employees of distributors, kitchen equipment and appliance dealers, and export distributors, inside and outside the United States, who sell and service Hobart and KitchenAid products.

Company sales exceeded $430 million in 1976, continuing a consecutive 32-year growth record since World War II. For the past sixteen years Hobart has ranked among the Fortune 500 largest industrial corporations in the United States.

Today, it takes a team effort dedicated to customer service to be the leader, with everyone doing his or her part to maintain the excellence symbolized by the trademarks "Hobart" and "KitchenAid."

This spirt and commitment of working together to build a better product supports the saying "Products of Hobart are at work, day in and day out . . . wherever food is prepared, served or sold."

Old days on my mind

and in my heart to stay.

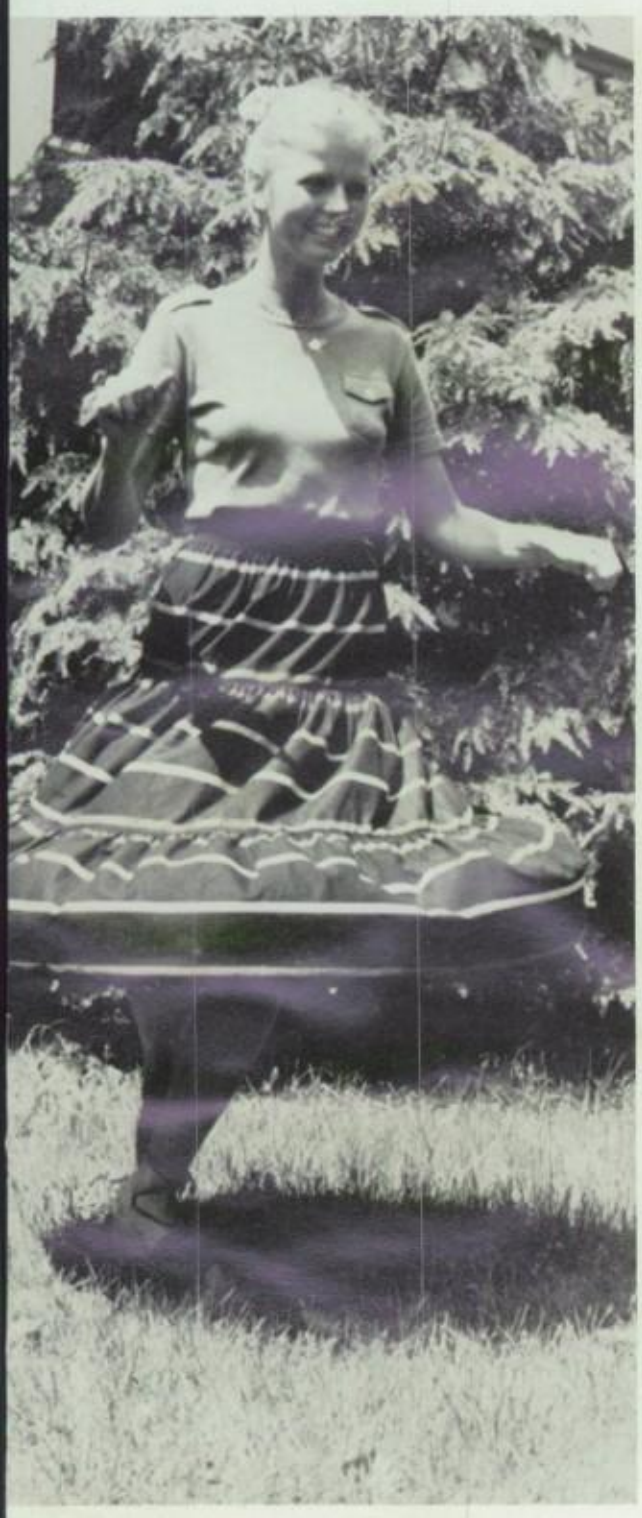
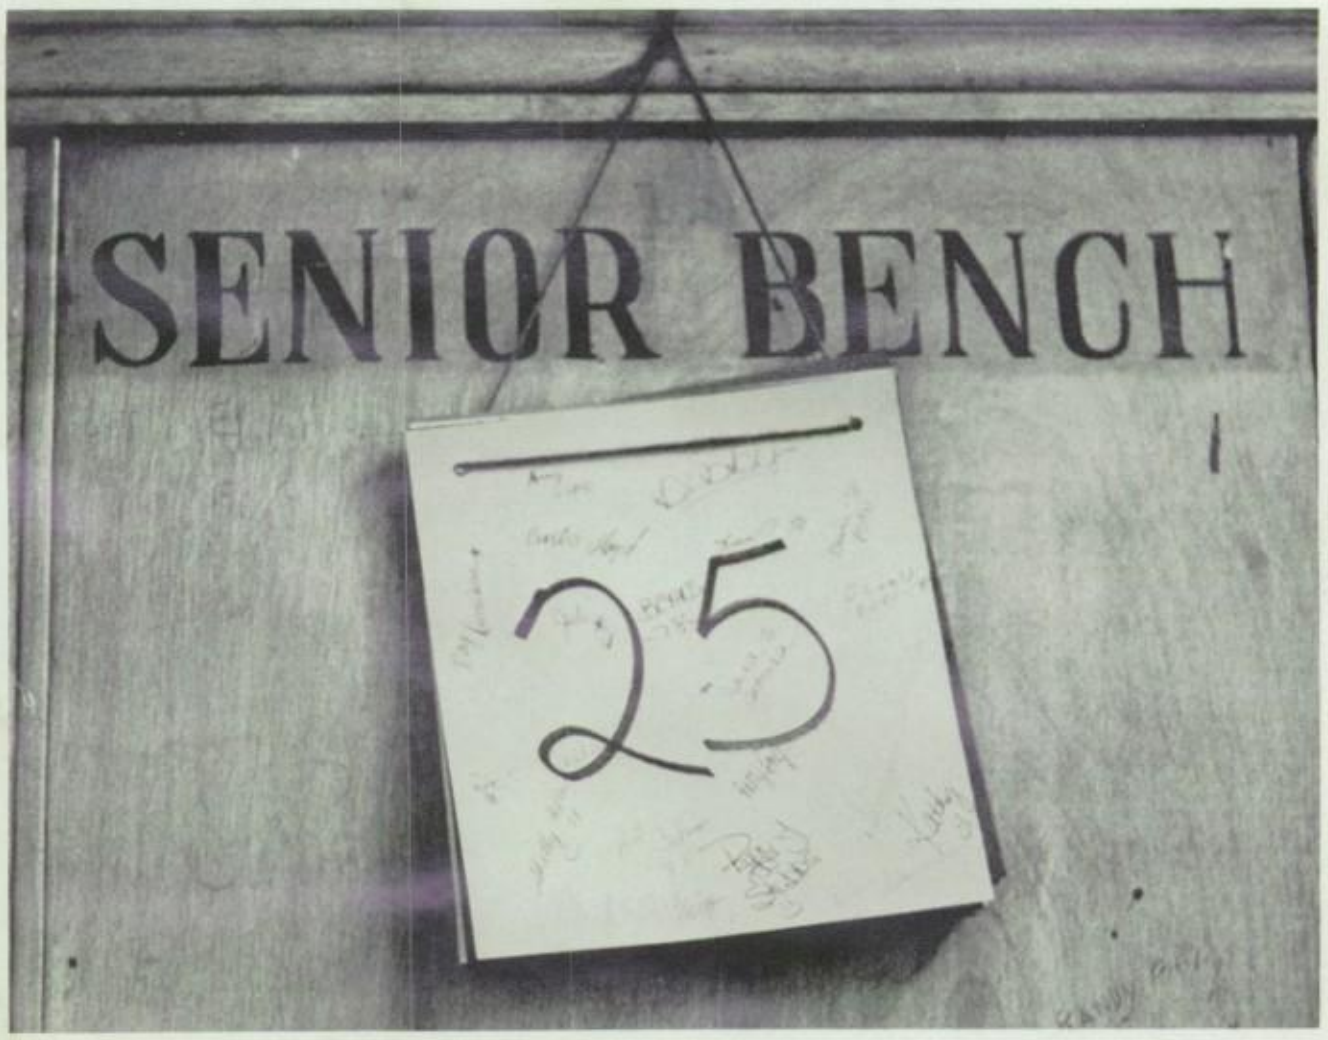
# of good times gone away.

Old days, days of love





and feeling fancy free,

magic still so close to me.
